- [ ] Duplicate Payment
- [x] No Fee Due
- [x] Office Error
- [ ] Other:

Rationale *(Supporting documentation may be submitted with this form)*

The Examiner demanded petitions for the recovery of the priority dates and asked us to file a petition for the PCT priority and another for the foreign priority. The Office of Petitions determined that no petition should have been requested as the Examiner was incorrect - the priorities followed the patent that was granted and into our request for reissue. Since we filed a petition to revive the pct priority and foreign priority based – when the petition was decided, the office said no petitions were needed – all we needed to do was file an updated ADS (which we did). We believe that both petition fees of 3,000.00 each should be refunded.
